

Finding the right size is easy. If you wish to buy a garment which covers the upper body you must check your measurements in the **TOP** table. If, on the other hand, you are interested in buying a pair of trousers, jeans or Bermuda shorts, you must look at the **TROUSERS** table. Depending on the garment you intend to buy, there are several measures to be taken in direct contact with the body. Should the measurements taken not correspond exactly to a size in the table, we advise you to choose the slightly larger size in order to have greater freedom of movement.

N.B.=

- The margin of production tolerance, in respect of the size, can be +/- 3%.
- Cotton garments can undergo a natural size variation up to 5% after washing, even when this is correctly carried out according to the instructions on the internal label.
